

# Mother's Day in Coimbatore

Coimbatore: Molecular Diagnostics, Counseling, Care and Research Center (MDCRC), a city-based non-profit organization that works with children and families affected with Duchenne Muscular

Dystrophy (DMD), recently celebrated Mother's Day by organizing talent show for the mothers and the children. Motivational speaker,

Dr Jayanthasri Balakrishnan in her chief guest address emphasized on the importance of a mother in a

child's life." Mothers play the most important role in the life of any child. She selflessly dedicates her life for her family," she stated. She lauded

MDCRC's efforts in bettering the lives of children afflicted with DMD. Dr. K. C.

Ramaswami chairman, Kurlnji Hospital and Dr. B. R. Lakshmi, founder of MDCRC also participated in the celebrations that were organized

at the Arya Vaidya Pharmacy (AVP) here.
